

Citizens Fire Academy

Fayette County Fire & Emergency Services is launching a new program to educate the public on what it's like to work in the demanding field of Fire & Emergency Services.

This academy will allow citizens to experience the real world of firefighting, emergency medical services, and emergency management.

This exciting program meets for 9 weeks on Tuesday nights from 6:30 – 9:00.

Applications from Fayette County citizens only please, application deadline is August 9, 2016.

Program begins on August 23, 2016.
